Hondrone, April 1874, 1894. THERE is surely something of sentity in the very antiquity of China. Age without honour, experience which has failed to gather wisdom are hers, and none need envy her the possession. She has seen her empire overrun several times by, numerically speak- the socommodation of His Excellency on his trip ing, a handful of warriors; she has bowed up the river the knee to Mongol and Manchu, and she aster might be prevented in the future, will recur again in the western provinces. She has been many times wasted by real position through the facilities afforded her

etrife. She has for centuries been a sufferer rootly informed, the notes are "beautifully soft to an inculculable extent from the inundational pleasant to the Bar; indeed, augelic." 21.00 22.20 tions caused by that erratic waterway the Our Careta including the lowest priced, are Yellow River, but she still clings to those the tea districts, the N. C. Daily News says, do applient and futile ways of river conservancy not give very encouraging news of the season's which only aggravate the evil and precipitate of in huyers is reported for Hankow ten hongs. new annual tribulations and expense. She and the following approximate figures are which follow the adoption of Western in about 80 per cent on an average of Hukuang provements in the field of science. When teas have so far been applied for. through purely selfish motives the officials are induced to try some Western innovation for the greed of gain or as a matter policy, it is adopted in a half-hearted way and is subsequently either dropped or neglected. Thus it is with the Railway. I to be struck, with the words Chi Bhan Hua The ron way has been laid from Kaiping to | Yang ("Their skilful handiwork is famous in Taku, and from Taku to Tientsin. Obviously the next sten was to the capital; but no! the calm of that most sacred city must not be disturbed by the shrick of the milway whistle, or the uncouth engine invade the sanctity of the Imperial precincts! So it was extended instead to a small garrison the N. C. Daily Nows. The fire lasted seventy Per doz, Case town on the coast, Shan-hai-kwan, where it two hours, there being a strong southerly wind has been decided to erect an arsenal and all the time. Over 1,500 families have been make a stronghold, against which the "outer the district ungistrate's yamen and prison. The barbarians" may in future rage in vain. From thence the line was to pass Moukden fluding his own yamen enveloped in flumes,

Railway for connecting European Russia million taels worth of property is said to have with Vladivostock on the Pacific. But there has come an obstacle in the way of the execu-Dowager will attain her sixtieth birthday in November next. The anniversary is cou- the payment of Wharfage Dues. These dues We only guarantee our Wines and Spirits to sidered a notable one in Chinese annals, and are so very light that this is a particularly paltry it is to be relebrated in a notable style. Eighteen millions of taels have already been In 1875 the then Taotai Isid it down that his subscribed for the purpose, and it is declared annual contribution to the Municipal exchaquer that a further eight millions are required for carry out the programme of festivities in its tunately this dictum is not formally on record entirety. That the anniversary should be honoured is natural enough, for Her Majesty the Empress Dowager has proved herself a the Chinese must think of foreign merchants remarkable woman, who for nearly a generation guided affairs of state with great ability and with no little care for the interests of the Empire. But the amount proposed to be expended, the greater part on Austrian. left Bangkok for Patriew to on mere childish display and tinsel, is undertake mining operations, and on the 4th absolutely out of all proportion to the resources of the Imperial Treasury and beyoud the contributory powers of the provincial exchequers. The Court is to be treated like a spoilt child; the toy for which it cries must be found at any cost and no in the Royal Railway Depirtment. He matter how the funds are procured. The stock at the price. Dand E are too well known officials in every province of the empire

extraordinary contributions squeezed from considered expert. He was about 28 years of not forgetting even the head of the Maritime Customs, not sufficing for the purpose, the money voted for the extension of the Railway from Shan-hal-kwan set purpose M. Hardonin has put the matter to Moukden, is to be diverted to the in the hands of Mr. Wiede, the Austrian Couglorification of the old lady at Peking and a public work of reputed national importance is thus arrested in its development for a whole year. The Japanese, have been accused of capriciousness and want of so. Per doz Case briety to their adoption of Western inventions. Never, assuredly, have they exhibited such a want of serious intent, such a way ward departure from common senge as the Chinese Government are displaying over the preparations for the forthcoming Imperial We only guarantee our Wines and Spirits to jumboree The bulk of the money they de bas been formed with Nubar Pashs as Prime sign to waste over this anniversary would Minister. do ancalculable good if devoted to some public work which might be constituted an an imperishable memorial of the Empress killed. Downger, and thus hand down her fame to

coming generations. The Chinese, like true rientals, however, love display, and the Sub Committee of Enquiry reports that the disofficials presumably set most store of all by closures for surpage the worst forebodings. He garish spectacles. To the mandarins time is no object, and even though it could be shown Sample bottles and smaller quentities will be that the non-completion of this sinterio line of railway might involve a rational disaster the result would be the same. What they conceive to be a present neces, the ironelad Magenta is liable to know on the sily-but what is notually a mere pageant first impact with another vessel. He urges must have precedence over any public suspending the building of all ironolade at work however useful or however important

H.M.S. Redvote left yesterday for Nagasaki. The Pelyang squadron arrived at Woosning from the South on the 12th just, and was to proceed to We haiwei on the 16th. The Empress of China arrived at Nagaeaki

Vancouver via Kole and Kokohama.

MELLE S. Sunft arrived ventored and the law ! The interport ride units will probably the sum on the 13th inst from Lapan. No anonymously signed communications that have Singapore on the afterpoon of the 18th, and may he expected bure or about the 22od last. On and after the let April, 1894, the Prices After that hour the supply is limited. Only Supplied At the Magistracy yesterday a Chinaman was

convicted of selling Manila lottery fickets and was fined \$25 by Mr. H. E. Wodelionse not expire until June.

The Empress of India arrived at Yokohama from Vancouver at 5.30 n.m. on Monday and left again at 4 30 p.m. the same day for Hongkong via Kobe, Nagasaki, and Shanghai. The Hon. W. M. Goodman, Attorney Gauera leaves for home to day by the M. M. steamer Orde on furlough. Mr. A. J. Lency, Q.C. will act as Attorney General during Mr. Goodwan's

With reference to the recent missionary riot at Ting, nour Yangohow, the N. C. Daily Nows. hears on native authority that the Chinese officials are now occupied in rebuilding the house of Mr. Helgesen. The Mercury says a grand review of the mayal forces of China is to take place during

Chilli and the Military Governors of the three Eastern provinces have received orders from the Throne to fix a day for all the vessels to meet at Port Arthur, where the review will be held.

A fire which broke out in a village of Nijgata will one day probable fall an easy prov to the presectors the other day, the Kobs Chronicle Muscovite. She has been desolated, time relatives of a man who had been buried in the and again, by famines, and although, by in- comptery close by placed before the temb a lighted candle, which was carried off by a crow to the roof of a house in the village, where it set fire to the thatch and this communicating to the rafters the house was burned to the ground.

A correspondent of The People says :-- A bam bellions, and, though she is now in a better | boo organ has been built for the Jesuits' church at Shaughai, and is said to surpass organs, made of metal. As bambio can be obtained of all by Western nations to arm ker troops, she dimensions, from the thickness of a pen to pleces will yet again be a victim to internecine of 12 inches diameter, this astural material costs little more than simple labour, and, if I am cor-

Native desputches received at Shanghai from is not blind, but will not see the benefits riven :- Ningolow 70 per cent : Fythow (Huei-

> According to a Canton native letter quoted by the N. C. Duily News the Governor-General H.E. Li Hau chang, is so pleased with the success of the European machinery and plant the Canton mint which Messrs. Buchbeister Co supplied, that he has ordered a gold meda China and Europe"), for presentation to the makers of the machinery. The medal has been sent to Mesers. Buchheister & Co. for transmission to Europe.

A great fire is reported to have taken place on the let instant at Shucbeng, a city about sixty-five miles distant from the home of the Vicercy Li, in Anhui province, we learn from burnt, out, and nearly 2,600 houses, including official, seeing it impossible to subdue the flames, and reach the frontiers of Manchuria, where dressed himself in his court robs and sat down it would in some sort, it was thought, act as in the great hall intending to perish in the ruins; but an old servant fore bly prevented a counterpoise to the new Trans-Siberian bim from committing the deed. Over half a been destroyed.

We (N. C. Daily Nows) understand that one or more foreign firms have been detected in passing imports through the Shanghai Custom House in the names of Chinese, in order to evade way of making money, and we trust that the Conn cil having detected it will flud means to stop it was not intended to free foreign goods imported by Chinese from wharfage dues; but unforand thus some foreigners have found a way o evading the Municipal tax-gatherer and so put! To profit on London investmenterealized.... ting a few dollars into their own pockets. What who descend to such a practice it would be in-

teresting to knew.

A shooking and cold-blooded murder is reported from Patriew, we learn from the Bang. hok Times. About three weeks ago, Mr. Babe, inst M: Hardonin, the French Consul at Bang. kok, received from Pere Smith a Roman Catholic priest, a talegram stating that he (Mr. Babel) had been found cruelly murdered in his own house. The unfortunate man came here from Vienna about four years ago as mining engineer, and was at first engaged however, left that employ some time ago on purpose to take up mining, in which he was lage and unmarried. On leaving Bangkok he took three servants with him: two of whom he picked up at the last moment in the neighbour hood of Bangrak. He had a large quantity of goods about Tee. 600 in money, and it is now suspected that the men accompanied him with a and who has written to the Poreign Minister

asking that steps should be taken to arrest the murderers. Pers Smith took charge of the decoased's interment.

The unusual difficulties, experienced with No may act as barrieters and attornes, or as bar 5 Dior at the Lan Ho bridge have been successristers. or as attornes, according to their fully aversome and it is now even stronger than instructions and as they may think fit, except in the others. The extreme unevenness and hard ness of the rocky bottom overlaid with ailt a Section 2 provides that when the same practic fine as anick and, presented a combination which tioner acts as barrister and attorney, in the same was extremely difficult to deal, with; but in matter he shall not be allowed to charge for addition to this, large fissures traversed the rook attornies consultations with instructions to or lout of which sand and large quantities of water

attendance on counsel, or the drawing or copying appried, amounting to over 3 0 outle feet per of briefs to counsel, or preparing or copying of minute. The bottom surrounding the cateson 12. Tungchow, british str., for Figurein, papers for the perusal of counsel, or the like. . . . was however, lold bare after considerable delay. Section 3 provides in effect that no barrister and heavy pamping. All hollows and flagures. shall enter into partnership with any other were then filed in with rion congrete, which soon

a law partner shall be allowed to not us barrister The Directors office at Lau-chow will shortly in any matter where himself or his partner is be removed to Shin hai knic, when Lan-chow will become as quiet as it was before the works By section 4 the laws for the time being in commenced the big bridge however, will remain force with reference to attornice are extended as a monument of the activity prevailing during to all practitioners when acting as attornies, the past two years. The workshops will also follow shortly to the same place, where they will By section 5 any of the following persons are probably remain matil the line is pushed to the Although certain gouldemen of our commun.

ity have visited X ang-bo ku about 4 miles south any other person having the special leave of the of Peh ta ho et along we have not yet heard that any arrangements have been made to erect any houses. The place is emineutly adapted for General and to the order of precedence of bar a seaside resort, and it is to be hoped there will he no difficulty in eventually randering it an Section S provides that every legal practitioner economical and an efficient samiforium for Pe-shall at every step in any processing describe king and Tientsin. The beach is simply perfect. himself and be described as barrister or as at and a suitable read to it from the station could torney according to the truth of the case and easily be provided with a little negociation. It must be remembered that it will soon be possible to go there from Tientsin in seven Lours, and

of two million tasks of railway money being diverted to calebrate the birthday of the Empress Dowager sinexact What has occurred is that Se tione 11 and 12 make all legal practitioners last year a million trels were taken from the outina imperial grant for milway purposes and the months. The like sum has been taken from this year's grant and the foreign staff reduced by three engineers and three foremen. The work is going on, but of course with diminished speed. The Chinese staff of costly and apparently Wiedwoodook useless officials continues supersbundant. From yesterday, Friday, the new, station

opposite the French Bund will come into use, and there are important alterations in the train | Feechow service. The Railway Company have improved the landing places of both sides of the river. by any other legal practitioner to act as a which is a public advantages. The old ferry was This Ordinance can scarcely have worked | dangerous as well as disagreeable - Pelsing and TIENTSIN.

Never in the history of the port have so many

notaries registered in that book may practice much water about to make shooting them either. within the Colony as public notation. A penalty pleasant or easy, is imposed on every person who sais as a barrister. The club members held their half yearly is imposed on every person who add as a parietic atterney proctor, or notary public without being day admitted, enrolled or registered.

This Ordinance recognizes the absolute distinction between parieties and attornes, but apparently until 1873 berristors were still permitted to practice as public ristagies.

By Ordinance No. 12 of 1873, Ordinance No. 6 of 1845 was repealed and interestable the processions as to the temperary admission of the washing of the process of column as fo who should be presented as a tornies, and produces waste researched see section 2. (1)
